GORDON LEAN

EC REPRESENTATIVE for RETIRED MEMBERS

Branch Nominations open 23rd September and close 11th October

"I am seeking your support for election to our Executive Council where I will fight to ensure we remain an inclusive, Lay Member-led Union with authority continuing to rest with Branches, Regions, and Sectors. I will fight any attempts to undermine that core principle.

I have served our members all my working life as a Rep and Convenor in Road Haulage. I have held Senior lay positions, notably Chair of Southeast Region before retiring."

"Since retiring, I have been an active supporter of the SE Region Retired Members Section as well as Chair of National Pensioners Convention in my Region. I have supported and been active in many campaigns exposing the disgraceful treatment of pensioners in the UK- Lowest annual pensions in Europe as well as the highest Pension eligibility age- the withdrawal of Winter Fuel payments is the latest example."

I will be a strong voice for Retired Members.

GORDON LEAN

Branch:SE/6217

Membership no. 15068391

"I have no hesitation in giving my support to Gordon Lean in his election bid to represent retired members on the Unite the Union Executive Council.

I have known Gordon for a long time in his role as Chair of the SE Region of the National Pensioners Convention and worked together with him in my role as General Secretary of NPC before I retired. He worked tirelessly to ensure that the voice of Pensioners was heard and listened to in the SE and I am sure would do the same as the Executive Council Member for retired people within Unite. It is particularly important to have representatives who speak up to defend today's and tomorrow's pensioners' hard won rights, and my experience of Gordon Lean is that he does speak up.
